

## CAMPAIGNS IN VARIOUS PLACES

Tom Johnson Likely to Beat Burton in Spite of Taft and Roosevelt.

TAMMANY HAS GOOD SHOW

SAN FRANCISCO SITUATION BADLY MIXED.

Cleveland, Nov. 2.—With railroads in all parts of the city, the most notable municipal campaign that has been witnessed here in recent years came to a close tonight. The Democratic ticket is headed by the present mayor, Tom L. Johnson, who is seeking re-election for a fourth term. He is opposed by the Republican ticket headed by Congressman Theodore E. Burton, chairman of the house committee on rivers and harbors, who entered the race following the solicitation of President Roosevelt and Secretaries William H. Taft and James B. Garfield. Mr. Burton early in the race announced his adherence to the Republican platform favoring immediate settlement of the

street railway problem controversy on a basis of not less than seven tickets for 25 cents. Mayor Johnson demands a straight fair of 3 cents. The fight, good-natured enough in the early part, has grown in bitterness as it progressed, and public interest has reached a white heat in the closing stage. Both sides are tonight claiming victory. The unprecedented registration was a surprise to both sides, and only the count of the ballots Tuesday night will tell the result of the election.

LITTLE INTEREST TAKEN.

Tammany Likely to Defeat Hearst and His Followers.

New York, Nov. 2.—One of the quietest campaigns that New York City has experienced in many years practically ended today. The fact that no state office is to be voted for, that both the Republican and Democratic parties had agreed on the nominations for the court of appeals judges, and that the assemblymen to be elected will not have to choose a governor, made the campaign quite colorless. As there will be no election of municipal officers in New York City the chief interest centers in the fight for sheriff for New York county.

## DALTON PARDONED.

Famous Robber Made a Free Man by Governor of Kansas.

Topeka, Nov. 2.—Governor Hoch this afternoon issued a pardon to Emmett Dalton, who has been in prison for the Coffeyville bank robbery in 1902, and whose parole was yesterday extended for six days. The governor called Dalton to his office by telephone. About 5 o'clock he came from his private office, shook hands with Dalton and began to declare confidence that Dalton would become a useful citizen. In the midst of the governor's speech the lights went out and the room was left in darkness. The governor continued, however, and handed the pardon to Dalton, who made him a free man. Dalton thanked the governor and then said:

There is someone in Kingfisher who will be glad to hear of this.

He was referring to his old mother. After receiving the pardon he talked with the governor but did not say publicly what he intends to do.

## NEW CRACKER COMBINE.

Independent Manufacturers Propose to Get Together.

Baltimore, Nov. 2.—A combination of independent cracker manufacturers, to be known as the General Biscuit company, is in process of formation, according to George D. Benniman, a lawyer of this city.

It is understood that about twenty-five independent companies will be in the projected combine. The capital stock will be \$38,000,000, but for the present it will be issued only in sufficient amounts to absorb the plants desired.

Mr. Benniman stated that owing to the present money conditions the time was not opportune for launching the enterprise, but meanwhile plans will be carefully worked out. Baltimore, New York, Philadelphia and St. Louis are among the cities represented in the new company.

## EVIDENCE INSUFFICIENT.

Joplin, Mo., Nov. 2.—Missie St. Clair and the other three defendants held on the charge of dynamiting the News-Herald newspaper plant on the night of September 13, were discharged here today after a preliminary hearing by Judge Earle, who said the evidence against them was insufficient.

## HONESTY THE BATTLE CRY.

Pennsylvania Democrats Want to "Turn the Rascals Out."

Philadelphia, Nov. 2.—The political campaign in Pennsylvania, which closed today, was one of the quietest in the history of the state, very little interest being shown in the contest for state treasurer, the only state office to be filled at this year's election. There are four candidates for the place—John O. Scheats, Republican; John C. Harmon, Democrat; M. B. Stevenson, Prohibition, and Samuel Clark, Socialist. None of the candidates made a very extensive campaign.

The Democrats made honesty in the government their principal theme. The Republicans also took up the capital attack and demanded that all those involved in the scandal be severely dealt with.

The Republicans declare they will carry the state by not less than 120,000 plurality, while Democratic State Chairman Dimeling predicts that Harmon will come to Philadelphia with 75,000 plurality, and that his election depends upon the size of the vote given Scheats in this city.

All the Republican candidates for judge and other city offices in Philadelphia will be elected by the usual large plurality.

## HOT TIME IN KENTUCKY.

Voters Harangued From One End of the State to the Other.

Louisville, Nov. 2.—Not since the famous Goebel-Taylor race has there been a Kentucky campaign so vigorously waged on both sides as the one which closed tonight. The active labors of Judge Samuel W. Hager, Democrat, and Augustus E. Wilson, Republican candidates for governor, ended today only after each had stamped the state from end to end. Although Kentucky is normally Democratic by a good sized majority, the situation this year has been complicated by so many issues of the non-political sort that good judges were still at sea as to the result three days before the election. The Republicans have made a more aggressive fight than they have put up at any previous election, and are claiming a victory with genuine confidence. The Democratic managers claim they will roll up the usual large majority, but shrewd politicians expect the last Beckman majority of 35,000 to be greatly reduced in any event. Governor Beckman's election to the United States senate to succeed James B. McCreary seems practically assured.

A hot campaign for the election of a full set of city and county officials in Louisville and Jefferson will also be decided next Tuesday. The fight is being made on the issue of open or "closed" Sunday, and party lines have a considerable extent been obliterated.

## CINCINNATI CONTEST.

All the Leading Candidates Pledge to Be Anti-Boss.

Cincinnati, Nov. 2.—For the first time in more than a century of Ohio's statehood, voters this year will cast their ballots for municipal and county officers only. The adoption of a constitutional amendment two years ago changed the election of governor and other state officers to the even numbered years. In this city there are five tickets in the field, but the real contest is between the Republican, Democratic and City parties.

Mayor Dempsey seeks re-election by the Democrats. The present vice mayor, is the City party's candidate, and Colonel Leopold Markbreit is the Republican candidate. An anti-boss campaign has been waged by all three parties.

## Senator to Be Chosen.

Baltimore, Nov. 2.—At the election next Tuesday, besides voting for governor, comptroller, attorney general and clerk of the court of appeals, members of both branches of the legislature, and county officers, there will be a primary election intended to indicate the choice of the people for the long term United States senatorship. Announcements of candidacy for this class of office have been made by eight names. Withdrawals have since reduced this list to three, Edwin Ward, the present governor; John W. Smith, ex-governor, and Congressman J. Fred Talbot. The two last named are organization men, while Governor Ward is understood to be opposed by the organization forces.

The campaign managers of both parties today expressed confidence.
